

## **Keswick Convention 2021**

### **Covid Procedures for all Conventioneers**

Covid 19 is a serious and infectious disease – and it will still be prevalent during the Convention

We want everyone on the site to be as safe as possible

The Convention will be operated as a Covid Secure Site

#### **Procedures**

- If you have **symptoms of Covid 19** you should not come to the Convention site.
- Anyone displaying symptoms will be asked to leave the site
- If you feel ill or develop symptoms while on the site, you should leave the site immediately.
  - You should follow English [government guidance](#).
  - You should not return to the site without first having had a negative PCR test result.
- **Lateral Flow Tests**
  - Lateral Flow tests are obligatory for all over the age of 11.
  - Tests should be taken before you travel to the Convention and then Wednesday morning before coming on site, each week.
  - You should not come to the site if you or a member of your family or bubble tests positive.
    - You should follow English [government guidance](#).
    - You should not return to the site without first having had a negative PCR test result.
  - Stewards and site security may ask for proof of a negative test.
  - If Conventioneers are unable to provide proof of a negative lateral flow test they will be asked to leave the site.
- Conventioneers may meet in **groups of six** or **two households inside venues** or **groups of thirty outside**.
- Apart from the exception directly above, **Social Distancing** of one metre plus is required inside. "Plus" means wearing a mask in addition to 1m separation. If masks aren't worn a distance of 2m should be observed.
- **Masks** should be worn inside.
- Frequent **hand washing** should be observed.
- We are delighted that from 19th July, congregational singing will be allowed. Therefore, we will all be able to sing together once again at the Convention. However, we are asking people to sing whilst wearing masks.
- Conventioneers are encouraged to use **NHS Track and Trace** – each venue has a Track and Trace QR code. We will also have paper-based method in venues for those Conventioneers without the Track and Trace App to provide details.

Any concerns on Covid - Contact [health@keswickministries.org](mailto:health@keswickministries.org) or ring 017687 21276

## **Youth Programme**

- Young people on the Youth programme should observe all the above procedures
- **Masks** should be worn inside except when seated with your small group bubble
- Parents should inform the youth team if their child develops symptoms, and take them for a PCR test as soon as possible
- Parents should inform the youth team as soon as possible whether the test is positive or negative
- If a youth (or leader) tests positive, that young person and their particular small group bubble will have to leave the site and isolate
- Please note that your child may have to isolate because someone in their small group bubble tests positive.
